The Livestock Families of the Albemarle Area Circuit Show (AACS) have always strive for the best circuit show possible. AACS has had a long standing partnership with every show circuit in Eastern North Carolina. In support of these partnerships and Governor Cooper's Executives orders for the State of North Carolina. We will be following all guidelines set by CDC for livestock shows and the North Carolina Youth Livestock Shows Guidelines from NCSU. AACS show committee is asking that everyone support these protocols while at the show and help keep every exhibitor safe so they can do what they love. Let's support our exhibitors so they can show in the future and be the Leaders we all know they are destined to be.

New Protocols

1. Online registration. Please complete ahead of time and bring a signed COVID 19 waiver.
2. Exhibitors will declare weight using weight cards. There will be a 5lbs tolerance for goats and lambs and 10 lbs. for swine. Weigh backs will be at the show committee and judges desecration.
3. Please try and show off trailers if possible. Pens in the front building will be for swine and pens in the lamb/goat barn will be for lambs and goats. If all possible we will leave an empty pen between families.
4. Swine exhibitors will not open and close gates. A ring helper will be assigned to open and close gates for exhibitors penned. Judge will be informed of the ring helper's responsibility.
5. Please limit the makeup area to next class exhibitors only and one parent for younger exhibitors.
6. Please try and limit your time in the show ring area to when your exhibitor is in the show ring.

Please Remember the 3 W's

Thank you for support

AACS committee
