This program is designed for students aged 13-18 who want to develop and improve their leadership skills. As a Teen 4-H Leader, you will be held to a high standard- after all, leadership is about influencing the thoughts and actions of people, and we want you to be a positive influence!

The goal is to create great leaders for our future and help prepare young people for life and the workforce. This is an opportunity for Teen 4-H Leaders to begin or continue the process of developing their leadership aptitude, serve the community, build a resume and gain valuable work experience for future employment.
